## Our Approach to God

Prelude *Adagio from Sonata No. 1 Op. 2(abr.)* Beethoven

### The Call to Worship

God makes a way out of no way.

**God sees our tears and turns them into joy.**

God makes the impossible possible

**and sees the desperate needs of all people.**

Come close, healing Lord, and receive our worship.

**Christ among us, God is doing a new thing. Amen**

\*The Hymn of Praise *How Firm a Foundation* 361  
Congregation sings verses 1 & 4

### \*The Call to Confession

Though we find much to boast about, we return again to God, who sees through our efforts to handle our life on our own. Hear again the tender invitation to speak plainly before God and one another. Let us confess our sins to God.

### \*The Prayer of Confession

**Why are you so extravagant, O God? We work hard, use our intelligence, keep our ledgers balanced, accomplish feats daily, care for our families, and honor our inherited legacies. Is this not enough to earn our place among the favored? Yet you throw open windows and doors, revealing a vision we do not possess, where accomplishments don't count, where tears reap joy, where peace is found in suffering, where confidence is gained by giving away what is ours to treasure. Show us again what matters. Forgive our misplaced too, might be generous with our love.**

Hear us Lord as we approach you from the silence of our hearts with our individual intentions (Silence).

**Purifying God, fill us, our homes, churches, the world, with the abundant love of Christ until all are made new. In Christ name we pray. Amen.**

\*The Assurance of Pardon *Philippians 3:9*  
The apostle Paul reminds us that we do not make ourselves righteous.  
**Our righteousness come through faith in Christ, who made us his own.**

Hear the good news! Jesus Christ restores us to life.  
**In Jesus Christ we are forgiven. Thanks be to God.**

\*The Response *Amazing Grace, How Sweet the Sound* 280  
**Amazing grace, how sweet the sound, that saved a wretch like me!  
I once was lost, but now am found, was blind, but now I see.**
